Conversation is going really well. And Alex is in a good
place. I'm gonna set it up for you two to talk. But you
shouldn't share all that I've shared about what she says
about you other than what I say now. Let's keep it up

5/28/2023 6:45:18 PM

[REDACTED] **Jamey Heath (Owner)**
Nope. Of course not. He knows that she wasn't happy
about getting covid.

[REDACTED] **Justin**

+ **Jamey Heath (Owner)**
I talked to Steve last night also. I didn't share about the
"comments" the ladies had feelings about. Didn't want to
share anything you hadn't yet.

Justin
I shared with him today
5/28/2023 6:59:27 PM

Justin
He said he should come to sit and remind Blake who's
money this is and I said that's not the best idea
5/28/2023 7:00:03 PM

Jamey Heath (Owner)
Yeah. He said that too to me too regarding how difficult
she is to work with. He doesn't quite get the nuance.
